

God of War Ragnarok PS5

Product Overview

God of War Ragnarok is an action adventure game developed for the PlayStation 5 that continues the story of Kratos and Atreus in a world inspired by Norse mythology. The game combines cinematic storytelling with exploration, combat and puzzle solving mechanics. Players travel through different mythological environments while facing powerful enemies and discovering the fate of the Nine Realms. The title supports 4K HDR graphics and offers a highly immersive single player experience designed to take advantage of the PlayStation 5 hardware capabilities. The product is distributed by Sony Europe and can be delivered through courier services. The approximate price of the game is 59.99 euros.
