

EA Sports FC 24 PS5

Product Overview

EA Sports FC 24 is a modern football simulation game developed for the PlayStation 5 platform. The game introduces improved physics, enhanced player animations and more realistic gameplay mechanics that aim to replicate the dynamics of real world football matches. The title supports high resolution graphics and advanced lighting systems designed to take advantage of the PlayStation 5 hardware. Players can experience different game modes including career mode, competitive online matches and the popular Ultimate Team mode. The product is distributed by EA Sports and is available both as a digital code and as a physical edition. The approximate price of the game is 49.99 euros.
